RECOVERED

The Vancouver Police Marine Unit is looking for assistance in identifying the owner of a red 2008 Pelican Explorer DLX 14' canoe. The vessel was spotted overturned off Brocton Point in Vancouver Harbour on August 7th 2013 at approximately 2 pm. An exhaustive water and shoreline search by Canadian Coast Guard, RCMSAR and the VPD Marine Unit only turned up a paddle believed related to the canoe. The paddle was an aluminum shaft with a white poly blade and was one half of a kayaking paddle.
