# **INFORMATION REQUESTED**

### **Suspicious Circumstance:**

11I04127 – Officer Faustino “TJ” Perez advised this morning that Lummi Nation PD located a sailboat in the Nooksack River, just upstream from Bellingham Bay, which is tied off to two trees and, according to a local fisherman, has been there for a week. The location and circumstances suggest the boat might be stolen. There is no hull number, boat name, or other information to help identify the boat, which is pictured below. If anyone has a case involving a missing sailboat, please contact TJ at 360-384-0945.
