RECOVERED STOLEN VESSEL

On May 28th 2016, a 1984 16 foot Naden was stolen from the Victoria Harbour Ferry wharf in Victoria Harbour. An observant member of the waterfront community located the vessel and subsequently confirmed its identity from the Stolen Boats Canada website. As a result of his actions, the vessel is now back in the care of the Victoria Harbour Ferry Company.

IF YOU'RE IN THE SKY...

WE CAN'T FLY.

When you fly a UAV or drone near or over a #BCwildfire, you're breaking the law and endangering firefighting personnel.

The restricted airspace includes a radius of five nautical miles around the fire and to an altitude of 3,000 feet above ground level. Transport Canada and the BC Wildfire Service explicitly prohibit the use of UAVs or drones of any size near a wildfire.
