RECOVERED

In late October 2013, a 2001 Bayliner 2455 Cierra was stolen from Lighthouse Marina in Sechelt Inlet, Sechelt BC. In mid-January 2014, the vessel was found partially submerged on the shoreline along the Sunshine Coast Highway, 4 kms west of Saltery Bay Provincial Park. (Powell River RCMP 2014-190). The white aftermarket steel radar arch, Mercruiser 5.0 litre V8, serial number 0L787555 with Alpha I stern drive, Quicksilver 8.9' tender (HIN USA16641D405) along with all electronics, hoses and wiring were stripped from the vessel prior to it being set adrift. Please be cognizant of anyone selling parts from this vessel or that has purchased a salvaged similar vessel and recently completed a complete refit.
