STOLEN BOATS CANADA

(Public Service - Non Profit)

Jamie Gibson 778-229-6932

RECOVERED

On May 5th 2011, Brad Leaney of Westcan Inflatable Boats contacted the Vancouver Police Marine Unit after seeing a Brig that was listed as stolen on Stolen Boats Canada, being offered for sale on Craigslist. Leaney had sold the vessel originally through his dealership and was confident that the boat was one in the same. A joint project involving the Bowen Island RCMP, Vancouver Police Marine Unit and the Vancouver Police Anti Fencing Unit resulted in the identification and recovery of the vessel on Bowen Island. It was determined that the party currently selling the vessel was unaware it was stolen. The investigation is ongoing.
