Stolen 2000 Malibu Wakesetter Recovered

On 2008 05 21 the Vancouver Police Marine Unit seized a 2000 Malibu Wakesetter in Burnaby that had an altered Hull Identification Number. With the assistance of Performance Watersports and TNT Marine, members located a secondary HIN and identified the vessel as being stolen from Kelowna in 2001. A joint investigation with the RCMP Kelowna Detachment, VPD and Vessel Licensing Canada is ongoing.

Four lower mainland men are being investigated as a result of the recovery.
