RECOVERED

On 2008 09 23 a resident of the Shuswap Lake region contacted Superintendent Jim Naylor of Transport Canada Receiver of Wrecks regarding a Regal tied to a wharf in the lake. Superintendent Naylor directed the caller to the Stolen Boats Canada web page where it was confirmed that the vessel was stolen from Auction World in Kelowna. The Truck and trailer taken with the vessel are still outstanding. The owners of Auction World appreciate everyone's assistance in the recovery.
