### Stolen Thunder Jet Havasu Recovered

On 2008 05 06 Colette Bell of Marine Titles Canada observed the Thunder Jet in the attached photo at # 1 Rd and Francis in Richmond. Bell recalled the vessel from the "Theft Bulletin" in late April. She was able to obtain a photo which she forwarded to Stolen Boats Canada and the VPD Marine Unit. The vessel was confirmed by Rivercity Marine as the vessel stolen from their dealership. VPD forwarded the photo taken by Bell to Jim Jones of the Steveston Harbour Authority requesting he keep a watch for it in the area. On 2008 05 08, Jones contacted VPD Marine Unit and advised that the vessel had just launched at his location. VPD Marine Units assisted by Richmond RCMP members attended and took two males into custody when the vessel returned to the boat ramp. The vessel and trailer were identified and confirmed as stolen from Rivercity Marine in Kamloops. Thanks for everyone's continued vigilance.
