

## ***STOLEN BOATS CANAD***

(Public Service- Non Profit)

### **WEATHER WARNING**

Winter storms have arrived on the west coast. Boat owners that choose to keep their vessels at anchor are responsible for monitoring marine weather reports to ensure the safety of their vessel. Owners who fail to move their vessels to “safe harbour” or monitor their vessel during impending storms, may be held responsible for clean up and removal of any environmental hazards caused by their vessel being wrecked or damaged.
