## **STOLEN ENGINE**

On 2018-09-07 a white 12 foot Walker Bay Genesis inflatable was secured at the Olympic Village Dock in the East Basin of False Creek, Vancouver. Between 9 pm and midnight, the outboard was stolen and the tender was slashed and set adrift. The tender was subsequently recovered from underneath Science World.

The stolen outboard is a blue **2010 YAMAHA model F8SMH 8 HP 4 stroke 8 hp. SN: 60R S 1028887**
